PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNAVOIDABLY UNDER 37 CFR § 1.137(A)

Mail Stop **Petition**
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Petition is filed under 37 C.F.R. § 1.137(A) in response to the Notice of Abandonment mailed May 16, 2005.

AUTHORIZATION TO DEBIT ACCOUNT

It is believed that no extensions of time or fees are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required (including fees for net addition of claims) are hereby authorized to be charged to Hewlett-Packard Development Company's deposit account no. 08-2025.

Remarks

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the United States Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the Office notice or action plus any extensions of time actually obtained. Applicants hereby petition the Commissioner for revival of the above-identified application for patent.

The last communication received from the U.S. Patent and Trademark Office (PTO) in this application was an Office Action mailed on February 27, 2004. A response to that Office Action was mailed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on May 26, 2004. Applicants received a stamped return postcard dated June 1, 2004 verifying receipt of Applicants' response to the Office Action.

Please find enclosed a declaration of Maria Carroll, the Legal Administrator in charge of maintaining the corporate mail log for formal papers received by Hewlett-Packard Co. (the assignee of the present application) from the PTO. Also, please find enclosed, as an attachment hereto, a copy of Hewlett-Packard's mail log reflecting documents received from the PTO in the Mailed Date period between August 15, 2004 and August 31, 2004. This attachment clearly shows that Hewlett-Packard did not receive the Final Office Action during the month period around when the PTO alleges the Final Office Action was mailed.

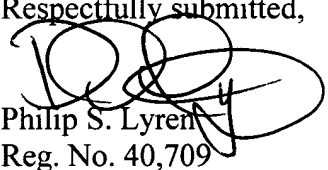

Thus, the assignee's docketing records (attached hereto) and the declaration of Maria Carroll provide evidence that Applicants did not receive the Final Office Action that the PTO alleges was mailed on August 17, 2004. Therefore, Applicants' failure to timely respond to the Final Office Action was unavoidable. The attached declaration further provides evidence that procedures were in place for docketing each paper received from the PTO and that Ms. Carroll received adequate training and, indeed, had adequate

experience to maintain such docketing system. However, despite the procedures for maintaining the docketing system, the Final Office Action was never received by Applicants or Hewlett-Packard Co. (the assignee).

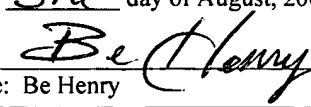

The first communication received from the PTO after the Office Action mailed on February 27, 2004 was the Notice of Abandonment, received on June 9, 2005. After docketing this paper, the Notice of Abandonment was sent to the undersigned counsel for preparation of this Petition. Without delay, a search of the docketing records was performed to determine whether or not the assignee received the Final Office Action allegedly mailed on August 17, 2004. When it was determined that no such Final Office Action was received, the undersigned representative directed the preparation of the attached declaration and attached mail log entries. This Petition is, thus, being filed without undue delay and within a reasonable time from receiving the Notice of Abandonment.

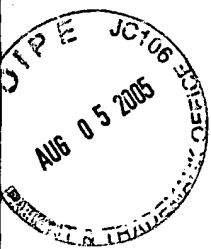

Based on the facts offered herein, Applicants, therefore, assert that each requirement of 37 C.F.R. § 1.37 (a) has been met. The reasons for the unavoidable delay, as fully set forth in the declaration, supported by the attached mail log, and in this Petition, provide adequate basis for the revival of the present application pursuant to 37 C.F.R. § 1.37 (a). Applicants, therefore, requests that the present application be revived.

Respectfully submitted,

**DECLARATION OF MARIA CARROLL IN SUPPORT OF A PETITION TO
WITHDRAW THE HOLDING OF ABANDONMENT BASED ON FAILURE TO
RECEIVE THE OFFICE ACTION**

I, Maria Carroll, residing and working in Fort Collins, Colorado, hereby declare as follows:

1. I am currently a Legal Administrator for the Hewlett-Packard Corporate Legal Department. I have held this position since July 2003.
2. My responsibilities include maintaining a corporate mail log of formal papers received from the United States Patent and Trademark Office addressed to the Hewlett-Packard Company, Intellectual Property Administration.
3. I was trained by the previous Legal Administrator in charge of maintaining the corporate mail log of formal papers received from the U.S. Patent and Trademark Office. I worked and trained with the previous Legal Administrator for several weeks prior to taking over this responsibility for myself.
4. My procedures for handling formal papers received from the Patent and Trademark Office are as follows:
 - (a) Mail received from the Patent and Trademark Office is opened and date stamped to reflect the date received.
 - (b) An electronic copy of the formal papers is sent to the responsible Hewlett-Packard attorney for any correspondence with a required due date of less

- than 7 days from the date received by Hewlett-Packard Company, Intellectual Property Administration.
- (c) The formal papers are entered into the electronic mail log to identify each of the formal papers by the type of action, date of mailing from the Patent and Trademark Office, date of receipt by the Hewlett-Packard Company, Intellectual Property Administration, serial number of the patent application, internal docket number, initials of the responsible Hewlett-Packard attorney, and the HP Office where the file is managed.
 - (d) A Mail Log Report is generated and forwarded to the proper office for docketing in the Hewlett-Packard Patent Database. The original formal papers are scanned and uploaded into the Hewlett-Packard image database. The originals are filed and archived for a two-year period in accordance to Hewlett-Packard's Archival policies.
5. A copy of the Hewlett-Packard Legal Department mail log reflecting Mailed Date Period between 8/17/04 and 8/31/04 is attached, attached hereto.
6. If an Office Action were received from the Patent and Trademark Office for patent application serial number 10/020,729, Hewlett-Packard attorney's docket number 200301830-1, this Office Action would have been logged in the mail log reflecting the mailed date of 8/17/04. This Office Action does not appear in the attached mail log shown in the attachment hereto.
7. It is my belief that the Office Action mailed on 8/17/04 for patent application serial number 10/020,729, Hewlett-Packard attorney's docket number 200301830-1, was not received by Hewlett-Packard Company, Intellectual Property Administration.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
